

Challock & Molash Gardening Society

On Saturday the 3rd of December 2022 more than thirty members thoroughly enjoyed a Christmas party held in Molash village hall. The event was very successful with many fun-filled items. Not too-serious quizzes occupied members little grey cells, a humorous monologue given by Roger, a scary story told by Martin and a skit on Mastermind performed by Roger and Ray were some of the entertainment highlights.

Members sung Carols (led wonderfully by Andrew) with great gusto, particularly a very noisy and participative version of 12 days of Christmas. Games to win bottles of Prosecco were also well supported. A wonderful buffet was complemented with gallons of boozy mulled wine. Thanks to Delenda and Tierney for their hard work.

Two raffles were held with prizes already beautifully wrapped by Karen for one raffle. The second raffle was for the prize of a lovely Christmas cake made and decorated by our own Lady Baker, Delenda. Anne was the lucky winner of the cake.

All in all, a great lead into Christmas enjoyed by members. A big thank you to all who came along to the festivities and supported so well. See you in the New Year.
